Jim Buckley Jr., Highway Superintendent reported that they have continued with mowing and grading around the Town and graveled Taber Lane. They have also paved Green road, Hopkins Lane and Irish Lane. The cemeteries were mowed for July 4<sup>th</sup>. They hauled gravel to Skellie road for Jackson. The Highwaymen all attended Safety Days. The lights needed to be replaced in the shop and he found LED replacement bulbs that are brighter and use less electricity for about 60 cents a bulb more than the fluorescents. A letter was received from the Governor thanking the Town of Cambridge Highway Department for helping the village clean up after the May 4<sup>th</sup> storm.

Question was asked how much of Irish Lane was paved and the Highway Superintendent reported that it was up to John Werner's house. The same was paved as what was before Highway Superintendent reported that it was getting rough and they widen it a little because of necessity.
