New Business

- 1.) Colleen Sacala was present at the meeting on behalf of John Weaver. She proposed a subdivision at 774 State Rt. 372 tax map# 246.-1-8. This minor subdivision would be on the north side of State Rt. 372 parcel #246.-1-8 contains 63.73 acres. The house will be subdivided out with approximately 43 acres, the new parcel will be created on the northwest side of the parcel and the boundary line will follow the similar curve of the eastside of the parcel creating a lot of approximately 18-20 acres.

Judy Leon motioned, Seconded by Earl Horton to give Colleen Sacala permission to proceed with the survey for tax map #246.-1-8 subdivision on the north side of 77 State Rt. 372.

- 2.) Dominick Giglio was present at the meeting in regards to his parcel #271.-2-27 on Conley Rd. Mr. Giglio is proposing that the parcel #271.-2-27 of 99.71 acres be made into two parcels. The parcel is currently on both sides of Conley road, Mr. Giglio would like to create separate tax map numbers for each parcel. Mr. Giglio showed a map from a

previous subdivision which showed that on the east side of Conley Road the parcel contained 36 acres and on the west side 63 acres. However, because the map did not show a survey of parcel #271.-2-27 and there was nothing on file in planning board records of this parcel being surveyed. The Planning Board told Mr. Giglio that he would have to proceed with the survey. Mr. Giglio said that he would work with the surveyor and let the clerk know if he would like to be on the January Agenda.

- 3.) Gretchen Wilmot was present at the meeting in regards to parcel #280.-2-40 on King Rd. The portion of this parcel that she is referring to is 27 acres on the east side of King Road directly at the end of Belle road where it meets King Rd. This parcel has already been surveyed from a previous subdivision. Ms. Wilmot said that she would bring the survey for the next meeting.

Earl Horton motioned, Seconded by Judy Leon to give Gretchen Wilmot permission to proceed with the survey for tax map #280.-2-40 with the minor subdivision of 27 acres on the eastside of King Road directly at the end of Belle road where it meets King Road.
